IDAHO STATE HISTORICAL SOCIETY STRATEGIC PLAN 2004-2009

The Idaho State Historical Society's Strategic Plan 2004-2009 is intended to answer the question of "What does the agency need to accomplish?" ... and "Where is our Primary

Direction for the coming five-to-eight (5-8) year period." The details of "How" we intend to accomplish these goals and objectives are spelled out in the more detailed Idaho State Historical Society's Organizational Plan under separate cover (not included with this submission).

MISSION STATEMENT				
(Agency/Institution Head - Name & Title)				
Steve Guerber, Executive Director				

Our mission: to educate through the identification, preservation, and interpretation of Idaho's cultural heritage.
